

FIELD DAY!

The QSY Society Amateur Radio Club is operating Field Day at Dutchess County's Bowdoin Park, Pavilion 4, from 2pm Saturday June 24 through 2pm Sunday June 25.

Bowdoin Park is located at 85 Sheafe Road in the town of Poughkeepsie.

You're invited to come watch, operate, and meet other hams. Bring friends and family. If you can't, but want to contact us on the air, we're operating as K2QS. (GOTA is WK2T)

We're also operating a GOTA (Get On The Air) station, especially for those new hams, inactive hams, or non-hams (with a licensed control operator at the operating point). Technician and Novice class licensees are also encouraged to participate.

Joining us on Sunday will be the Dutchess County Office of Emergency Response, with their Mobile Command Vehicle.

Questions? Contact Paul KD2CCW pebork@gmail.com 845 705-9281 or Scott W2NTV at w2ntv@arrl.net or 845 705-7247. Visit our club website at <http://qsysociety.org> and see past Field Days in the photo gallery.

We will be operating phone, CW and RTTY

We will be using **146.970 PL 100** as the repeater to coordinate talk-in for those of use who will be going there for the first time. As you get closer **146.500** will be our simplex.

Find us, (search for K2QS) and other clubs at the ARRL Field Day Locator: <http://www.arrl.org/field-day-locator>

Learn more about Field Day at <http://www.arrl.org/field-day>

PS: members please ask for special directions if you're thinking of attending before 8am or after 9pm – the main gate is locked but you can drive up and around to enter.
